BONTA ITALIAN RESTAURANT & BAR

Established since 2007

#01-61 UE Square River Wing, 207 River Valley Road Tel: 6333

Located at the crossroads of busy Mohammed Sultan Road and Street, Bonta is hard to miss, especially with its prominent Chic immediately comes to mind at first glance of its interior furniture, yellow lighting and an orange plush feature wall. There is a semi-private dining room located on the mezzanine level together with a cellar display. Chef and co-owner Luca Pezzera has earned a good reputation in culinary circles so expectations are high. Several of the appetisers, the most original is the Lobster Tartare. Semi-cooked and seasoned with various herbs and paired with a tomato salsa, it is extremely appetising and clean to the taste. Pasta-lovers will easily find a dish they like from the pasta selections. Do try the angel hair pasta. The hearty Five Hour Wagyu Beef Shin Shank is so delectable that you will clean it up completely. Very enjoyable too is the Roasted Mediterranean Seabass Fillet.

WINE: A very good list with some interesting labels available.
